## Town of Collierville

October 29, 2004

Honorable Pat Miller  
Chairman  
Tennessee Regulatory Authority  
460 James Robinson Parkway  
Nashville, TN 37243-0505

Re Docket 04-00253

Dear Chairman Miller,

The Town of Collierville received notice of Docket 04-00253 regarding a petition from Tennessee Wastewater Systems to expand its service area to include a portion of Shelby County Tennessee known as Collierville Gardens

The proposed development is located within the Town of Collierville's annexation reserve area and is designated to be estate size lots. The Town of Collierville Utility Division is serving this area with domestic water and sewer service has been designated to be septic tanks.

The Town's Mayor and Board of Aldermen do not support alternative sewer systems and respectively request the opportunity to file this petition for intervention in objection to the forming of a Utility District within these boundaries currently served by the Town of Collierville.

Thank you for the opportunity to respond to this petition.

Sincerely,

Chip Petersen,  
Assistant Town Administrator

c James Lewellen, Town Administrator
